

Dear host family!

My name is..... I come from Neukirchen which is a small village near Wels, in the countryside of Upper-Austria. I live there with my family in a house with a big garden and a swimming pool. We have one cat called Minka. I like pets very much.

I have got an older brother, he is 22 years old. My mother's name is Inge and she is a housewife. My father's name is Karl and he works in a big company. I have a very good relationship with my family. They try to support me whenever I have a problem. I am always helping my mother with the household chores. It is not a problem for me to clean, cook, hover, iron and go shopping.

The main reason why I want to become an au pair is that first of all I like to be with children, second that I would get to know the American way of life and third that I want to see the world. I also would like to improve my English.

After four years of primary school, I went to secondary school in Neukirchen. I finished my high school (high-school diploma) 1 month ago and now I think that I am old enough to experience something new.

I have my driving license for 1 year now and I really love driving. I use my car every day and I have not had any accident yet. I am a very careful driver.

In my leisure time I like reading, meeting friends, spending time in the nature, doing sports or just relaxing on the beautiful lake Attersee.

One of the attributes that qualifies me for taking care of children is my sense of responsibility. My friends know me as a nice, helpful, reliable, open-minded person and they know that I like children very much. I respect other cultures, religions and traditions.

I often have taken care of children, because I have a cousin who has two children, Lisa and Sarah. They are twins and they are both 8 years old. I like them very much because they are well educated children and therefore rather easy to handle. For the kids I want to be a person who they can talk to and who listens to them if they have problems or just stories to tell.

Another child I look after is the 7 years old Michael. He is a very lovely boy and I see him 3 days a week. I help him with the homework, playing games and cooking for him.

An half year ago they move from Neukirchen to Salzburg. I miss him and his family very much.

I hope you got a good impression of me and if you are looking for a reliable and motivated au pair to take care of your children I would be happy if you choose me as your au pair.

I am really looking forward to hearing from you soon!

Yours sincerely
